TULLN IS LOVELIER!

Welcome to the Garden Capital, Tulln an der Donau!

Flourishing Together

Tulln has committed itself to promoting communal values even more strongly to making its mark as a community in the garden capital of Austria. Together we have also set ourselves the goal of being a CO₂-neutral city by 2040. In addition to the citizens, our visitors also contribute significantly towards achieving this goal. With that said, welcome to the town of communal spirit – thank you for joining us!

HUMANS AND NATURE IN HARMONY

Together, we enjoy our lively waterways and riparian forests surrounded by nature and enjoy the ecologically maintained green oases running through the entire city. Join us on an impressive discovery tour through our town by the Danube, which derives its very special flair from the interaction of humans and nature.

TOWN OF COMMUNAL SPIRIT

The initiative "Town of Communal Spirit" supports and coordinates projects by citizens for citizens.

Quality time by the Danube: The picnic area at the Donaulände invites you to stay and relax.

Danube – the Blue Lifeline

Wherever you happen to find yourself around Tulln – down by the landing, on the banks of the Danube, on the water park's waterways or in front of Austria's largest on-river stage: it is clearly noticeable everywhere that Tulln and the Danube are inseparably connected. Relaxing, sports activities, culinary pleasures and cultural diversity – there is a lot of activity along the river all year round.

FROM AUBAD TO DONAULÄNDE

Just as it is vital for plants, water is the essential element that allows the people in Austria's garden capital to really flourish. From the spacious Aubad to the idyllic water park and on to the Danube with the lively Donaulände just a short walk from the town centre – the diverse water landscape makes Tulln a paradise for leisure activities that's one of a kind.

1ST PLACE

The Donaulände was awarded 1st place at the "European Award for Ecological Gardening" in 2019.

THE WATER, THE SUMMER – AND YOU

During the summer, the sunset over the Danube attracts locals and visitors alike. In sunny weather, the **picnic area** with its comfortable seating invites you to stay.

The **water staircase** east of the Danube stage is also worth a visit, providing direct access to the water. A mere three-minute walk from the main square, the **guest harbour** on the banks of the river Danube presents its eye-catching design and attractive landscaping including flower stairs as well as top gastronomy, inviting visitors to thoroughly relax and enjoy the riverside ambience.

DONAULÄNDE, MEETING POINT

The quality of life makes itself felt wherever people come together to experience special moments. The Danube promenade – the Donaulände – is Tulln's lovingly designed "common garden", only a few minutes away from the city centre. Enjoy the tranquility of the majestically flowing Danube on comfortable seats and green spaces planted right next to untouched nature. From there, a short walk, or an even shorter bike ride, will take you from one sight to the next in just a few minutes.

Danube Cycle Path: Explore one of Europe's most beautiful cycle routes on two wheels.

Tulln in Motion

Whether you visit on two legs or on two wheels, Tulln is a paradise for sports enthusiasts! The international Danube Cycle Path along the Danube promenade, as well as the direct connections in the city and extensive paths in the region are ideal for cyclists. Tulln's diverse water landscapes and leisure areas also provide action, fun and relaxation all year round.

EXPLORE THE DANUBE RIVERSIDE BY BIKE

The international Danube Cycle Path is one of the most popular and beautiful cycling routes in Europe. It leads from the Danube's source near Donaueschingen in Germany to the Black Sea and is therefore part of EuroVelo 6, which starts at the Atlantic coast. About 260 kilometres of it run along the Danube through Lower Austria. Long-distance cyclists as well as day-trippers come a little closer to nature cycling along the Donaulände. Prepare for some impressive moments on your trip along the Danube Cycle Path, use the direct connections running through the city or enjoy the idyllic landscape cycling along the extensive routes in the region.

REFRESHINGLY DIFFERENT – JUMP INTO THE TULLN WATER WORLD

If there's one thing even better than leisure activities BY the water, it's leisure activities IN the water. From spring to winter, from Aubad to DonauSplash, you can find a spot in Tulln's water world on the Danube – and jump right in.

WELCOME TO THE AUBAD!

Right by the town and yet surrounded by greenery – this combination makes the Tullner Aubad the perfect oasis for a day of leisure. Whether you prefer swimming, leisure activities or just want to relax, the Aubad offers refreshing experiences for any age. Spanning 30 hectares, the extensive recreation park offers beach volleyball courts, a basketball court, a beach handball court and idyllic paths for walks and jogging.

DONAUSPLASH TULLN

The DonauSplash Tulln is all about frolicking in the water. Situated directly on the Danube, you can enjoy a broad view from the glazed swimming and lounging area, or relax in the steam bath and sauna. This makes the DonauSplash the perfect place for swimming, frolicking and relaxing all year round.

EXPLORE THE WATER PARK BY BOAT

Turn a boat trip into an adventure when you explore the secrets of the Tulln riparian forests with your children, or enjoy a romantic time with your significant other while you let yourself get carried along by the quiet waters.

THE CHARM OF TULLN'S BEER GARDENS

During summer, the town square is particularly inviting, providing many opportunities to try a glass of regional wine, enjoy coffee and cake or simply watch the hustle and bustle of the historic city centre. The lovingly designed squares and comfy beer gardens lend Tulln a very special flair.

SHOPPING IN THE GARDEN CAPITAL

Shoppers in Tulln experience a very special voyage of discovery. In addition to a multitude of different shops, the impressive historical backdrop creates a very particular flair, with colourful shop windows alternating with striking buildings while you stroll through the city centre.

The Rosenarcade shopping centre in the town centre offers a modern shopping experience. However, there is also a lot to explore in the town centre streets. Here, you'll discover small traditional retailers and workshops where you can find unique souvenirs to take back home.

LEAD SCORE IN CITY COMPARISON

The results of the Chamber of Commerce's KANO study measuring purchasing power stream and retail structure in Lower Austria yielded an excellent, unmatched 1.1 grade for Tulln, noting that the city centre boasts an "extraordinary quality of life".

From Roots to Leaf Tips, a Garden City Through and Through

No other city in Austria has dedicated itself to the topic of gardens as much as Tulln has. Colourful flowers, lovingly embedded in ecologically cultivated green landscapes, adorn the Danube along its promenade, and, on arriving, visitors are greeted by the creatively designed roundabouts. The historic city centre is a particular highlight, with the baroque garden and the Trinity Column, among other attractions, framed by unique flower arrangements.

Green as far as the eye can see: DIE GARTEN TULLN inspires garden fans with over 70 show gardens that are maintained according to ecological criteria.

People. Nature.

★ DIE GARTEN TULLN

Every year from April to October, DIE GARTEN TULLN, the “Natur im Garten” experience world, becomes the main attraction for garden fans. From the hydrangea garden to the Augarten paradise and the re-cycling garden, the first and only purely ecological garden show in Europe has enchanted visitors with over 70 extravagant show gardens and first-hand tips on all aspects of garden design and ecological care since 2008.

EUROPE'S FIRST ECOLOGICAL GARDEN SHOW

Sustainability is a top priority in Tulln. In addition to the completely ecologically maintained grasslands, this also means that resources are used sustainably. That is why DIE GARTEN TULLN was not designed as a short-term major event, but rather offers its visitors a first-hand experience of the garden as a habitat as it changes over the seasons.

**ECO?
LOGICAL!**

The city of Tulln was named Austria's first “Natur im Garten” city more than ten years ago.

PURE NATURE – IN HARMONY WITH THE ENVIRONMENT

All gardens and green spaces in and around Tulln are designed and maintained without pesticides, without chemical/synthetic fertilisers and without peat. Tulln's gardeners place the highest emphasis on biological diversity and design with native and ecologically valuable plants. This also makes the garden city of Tulln a natural home for insects and other beneficial organisms.

THE INTERNATIONAL HORTICULTURAL FAIR

Every year hundreds of exhibitors present all worthwhile new developments and the latest trends pertaining to nature and gardens at Austria's largest gardening event: the International Horticultural Fair Tulln. Hobby gardeners and gardening professionals from all over the world meet on an exhibition area of 85,000 m² to share ideas on planning, design, equipment and the right care for their small and large gardens.

1 EUROPE'S LARGEST FLOWER SHOW

One of the highlights is the Austrian gardeners' and florists' performance show – Europe's largest flower show. With over 200,000 flowers, an entire hall is transformed into a sea of colours, shapes and fragrances. The thousands of flowers are arranged into unique floral works of art: the incomparable splendour of nature combined with the artistry of Austria's best gardeners and florists.

GREEN IN THE CITY

Tulln's municipal gardeners are ubiquitous throughout the whole city during the warm seasons and will gladly answer questions about public and private greenery.

EXPERIENCE MAGNIFICENT GARDENS UP CLOSE AND PERSONAL

DIE GARTEN TULLN, the International Horticultural Fair, the Tulln Garden Centres and the many gardening enthusiasts – above all the Weber family in Langenlebern with their open show garden "Rainbow's End" – all contribute significantly to Tulln's renown as Austria's garden capital. The two large nurseries Starkl and Praskac – both big names nationwide – not only offer a magnificent shopping experience, but also numerous floral attractions, such as the impressive show garden in the Frauenhofen Palace Park and the colourful, 9-metre "PrasKatz".

A Big Name. And a Stage for Cultural Diversity.

The Roots of a World-Famous Artist

Tulln's extremely diverse range of art and culture is something to be proud of. This is in no small part due to its most famous citizen, Egon Schiele. Painting trains in the Tulln railway station building as a boy, he grew up to be an artist who had a major influence on the Wiener Moderne art style.

EGON SCHIELE'S BIRTHPLACE

Egon Schiele was born on 12 June 1890 in the apartment by the main railway station that is now open to visitors as a walk-in theme park. Embark on a journey back in time to the artist's childhood and immerse yourself in the world of a late-19th-century family.

IN THE FOOTSTEPS OF EGON SCHIELE'S YOUTH

Tulln offers a multitude of locations from the phenomenal artist's youth. The Egon Schiele Trail offers the opportunity to experience all the important locations in Tulln related to the world-renowned artist with historical photos and interactive elements.

The Schiele Experience: A journey into the great artist's life.

HISTORY BROUGHT TO LIFE – THE EGON SCHIELE MUSEUM

The Egon Schiele Museum Tulln is dedicated not only to the person of Egon Schiele, but also to his life and work. A special treasure room showing annually changing original works highlights topics from Schiele's life.

Sowing. Fertilising. Maintenance. Harvest. The Gardens of the Future.

Economy. Knowledge. Progress.

There are few places where the past and the future come together in such a meaningful way as they do here. The former Roman fort has become a place, and a repository, of knowledge. With the House of Digitization, Biotech Campus Tulln Technopol, our wide range of congress and conference venues, and our many state-of-the-art training facilities, we are headed towards the future in the fast lane.

VIENNA REGION: THE TULLN/DANUBE BUSINESS HUB

The Vienna Region is synonymous with success. In addition to its established areas of expertise, future-oriented industries such as biotechnology, materials research, life sciences, information and communication technology (ICT), eco-industry, nanotechnology, renewable energies, automotive, transport and logistics are major areas of focus.

THE ECONOMIC POWER JUST BEYOND THE VIENNA CITY LIMITS

Plenty of space, ideal connections, strong partners and a highly qualified workforce ensure rapid population growth and an increasing number of business locations. In fact, data from the Austrian Association of Cities and Towns shows that Tulln has almost twice as many incoming as outgoing commuters.

Getting around town in style, by bike along the Danube.

We're All about Smart Mobility

Our motto in Tulln: getting around town quickly and in an environmentally friendly manner. In order to do this, there are well-developed pedestrian walkways and cycle paths as well as extensive pedestrian zones in the town centre. Those looking for alternative means of transport can also use the TULLI EXPRESS or LISA.Tulln – or even explore Tulln by boat.

CITY OF PEDESTRIANS AND CYCLISTS

Cycling trips to the surrounding region are very popular. Tulln lies directly on the international Danube Cycle Path, and the Tullnerfeld region in particular is an extremely bicycle-friendly area, thanks to its lack of steep inclines.

GETTING AROUND BY RENTAL BIKE OR TULLI EXPRESS

If you don't have your own bike with you, the "nextbike-Leihradln" rental bike stations can provide you with one. The bikes can be rented at several stations throughout the city 24/7. If you prefer to travel in comfort, just take the TULLI EXPRESS. The road train travels through Tulln on weekends, serving as a hop-on/hop-off bus during the warm season.

FLEXIBLE MOBILITY WITH LISA.TULLN

Getting around without a car is easier in Tulln than almost anywhere else. LISA.Tulln offers a complete range of public transport, bicycles and innovative mobility concepts such as car and bike sharing. LISA thus makes you more independent from your private car and at the same time is easy to use, comfortable, environmentally friendly and intelligent.

Nextbike & bike sharing: 12 Nextbike stations throughout Tulln and at the Tullnerfeld train station
